“Serving Those Who Have Served Their Country”

Mission

“To promote the general welfare of the men and women of the Armed forces of the United States, it's Allies and their families, by maintaining and offering club and lodging rooms.”

In 1919, Mrs. Cornelia Barnes Rogers and Mrs. Theodore Roosevelt, Jr., with General John J. Pershing founded the Soldiers', Sailors', & Airmen's Club. In war and peace, without any U.S. Government funding and supported solely by donations of patriotic citizens, it has ever since been a “Home Away From Home” for over 5,000,000 men and women of the Armed Forces and their families. We have been providing this service now for ninety-nine years with our warm, friendly, and safe environment providing hospitality and accommodations for 17,000 Armed Forces personnel annually.

With the continued help of our patriotic friends, it always will be.
